

MOBILE CRISIS RESPONSE & STABILIZATION TEAM

SERVING BROOKE, HANCOCK, MARSHALL, OHIO AND WETZEL COUNTIES

We are a team of crisis specialists ready to respond wherever you need us! Our staff are trained mental health professionals who are able to aid children and their families who are experiencing an emotional or behavioral crisis.

How does it work?

Step 1: Call us.

Step 2: Explain what's going on. We can respond via phone, video call or in person. Your choice!

Step 3: We will help you through the initial crisis.

Step 4: Once things are stabilized, we will connect with you and decide, together, if other services are needed and help make connections and find your resources.

Step 5: At your discretion, we will call and check in with you, for up to 60 days just to make sure things are well.
